Christmas Show

Our Christmas shows will look a little different this year, but we want to make it a fun experience for the dancers and still have it be a performance opportunity for the camera.

We are excited to share all their hard work!!

Below is your dancer's "performance" time for their Virtual Show! We will be putting lighting in the studio and taking a video of their dances. They can wear any festive attire or dance attire.

Please wear your hair pulled back!!

★ Days of program ★

- Arrive no more than 10 minutes prior to performance time.
- Your dancer will meet with their class in the designated studio.
- Videos will be shared before Christmas Day!

There are **NO** regular classes the week of December 14th.

Christmas Break

No classes
