### Soloists

We will be sending out a sign up for soloists to run their solos individually! Soloists should continue practicing on their own. We will have one 15-minute lesson with each soloist prior to Nationals!!

## Nationals

Talent On Parade does a Parade of Champions nightly (depending on schedule), rather than a Grand Nationals at the end of the competition. This would allow dancers/families to leave once they are done competing. Here is a brief explanation from TOP.

Each night.... the first two days might be combined, as the puzzle is showing a lot of solos. But basically, every night a parade or two, with TOP 5 which turns into TOP 5-7 with ties. Then overall awards for competitive line ups at night. Solos can be from any studio or multiple ones from same studio, duets and up are one from each Top-ranking studio in that division, more of a showcase/recompete at that point. We do novice and intermediate line ups during adjudicated awards.

The National's schedule is supposed to be posted by May 28<sup>th</sup>. I will pass this along as soon as I receive it! Thank you for an amazing season. We are excited to see what the girls bring to the Nationals stage.
