

Our 2021–2022 is off to a great start. We have been evaluating levels and making some adjustments as needed. In class we are working hard on our flexibility, terminology, and dance basics. We have been talking about the importance of stretching outside of class! In our more advanced classes, we have started the year off stretching with yoga blocks and cardio to increase strength. We will begin measuring over the next two weeks. Costumes are ordered throughout the month of November! Your September–November dance payments include your recital costume fees. If you opted out of our EFT your October payment is due this week.

Halloween Costume Party's in ALL combo classes are the week of October 25th. Please make sure your dancer can comfortably move in their costume (we will still be dancing) and no accessories, please! We will perform our Halloween dances, play games, build mazes and prizes will be given to the best costume. All pointe, contemporary, technique, strength/stretch and leaps and turns classes will have regular class but can still dress up!!
