

February Newsletter

Recital season is in full swing! Classes are in the process of learning their recital choreography! There will be no make-up classes available the rest of the season. Each class has its own choreography! Dancers Level III and older are asked to learn any missed choreography before returning to class, this enables us to progress weekly. If they have a friend in class that can record it, that is a great way to learn what was missed. Younger dancers will be caught up at their next class. Attendance is very important in making the most out of our class time. If a dancer is going to absence, please email us at nsod@outlook.com.

We will email a DropBox link with all our recital music before Spring Break so dancers can practice!

Costumes have started to arrive and will continue to arrive throughout April. Costumes come from several of different companies. They will be handed out as soon as they arrive. We will not be trying on costumes during class this season. Please have your dancer try their costume on immediately. If you have any concern about the fit, bring it back to class the following week. Minor alterations are the dancer's responsibility (straps, hems, minor size alterations). There will be a studio seamstress available for hire if you need assistance. We will announce that date mid-April.

Mark Your Calendars
