Recital Costumes

We are in the process of finalizing our 2025 costume orders. Costumes will start arriving in April. We order from multiple companies and delivery times vary. Costumes are handed out as we receive them. If there is a “fit” issue costumes must be returned the following week. Minor costume alterations are your responsibility and need to be done by picture day. If you question the fit of your dancer’s costume it needs to be brought back to the studio within a week of receiving the costume.

Weather

Hopefully this nice weather holds out. But we wanted to remind you of our cancellation policy...if Ankeny School District cancels or dismisses early due to weather there are no dance classes that evening. Please travel safely if the weather is questionable. There is one snow day built in our schedule. If your dancer’s class is cancelled more than once there will be a make-up day scheduled prior to the end of our season. We will announce those days once we get through the winter season and can plan accordingly. Thank you!

Attendance

With recital season approaching, it is very important to be at class. We will be starting recital choreography over the next month. Please let us know if you are going to be absent, absences’ can be emailed to nsod@outlook.com.

Make-up Classes

Make-up classes are not available during choreography season, each class has its own choreography. We are happy to video the choreography and send it if we have advanced notice!
