

**Happy New Year!** We are excited to get back in the studio and gear up for our 2026 competition season!! Practice resumes Sunday, January 4<sup>th</sup>.

Please remember that practice is required, if a dancer does miss due to illness or travel, they will need to send a video of their dances “full out”. Changes and corrections are hard to make effectively when dancers are absent. We know the holiday months are busy and schedules are challenging; we had several groups that have not had full attendance at **any** practices since the end of October. We want your dancers and their team to reach their full potential!
